AMERICA SPEAKING OUT is an effort by the House Republicans to engage Americans across the country and give you a voice in creating a new agenda for Congress. Congressman Bishop is hosting a special Tooele town hall meeting to introduce this project and get your feedback. *AmericaSpeakingOut.com* is a state of the art website that allows you to suggest ideas of your own, or weigh in on ideas offered by others. You can see the proposals that are on the table, make comments on them, and register your approval or disapproval. The content and input there will actually help build a new governing agenda. This website brings the halls of Congress into your home and lets your voice be heard. Check it out!

*Let your voice be heard by visiting [AmericaSpeakingOut.com](http://AmericaSpeakingOut.com).*

## Some of the topics that will be discussed:

- **FIGHTING FOR SPACE PROGRAMS, SECURITY & JOBS**

Congressman Bishop continues to fight against the President's proposal to cancel NASA's Constellation Program—not just because of potential job losses but because of the harm that could come to our national security and missile defense.

- **SECURING OUR BORDER**

With H.R. 5016, Rob is leading the charge to stop federal land regulations from impeding the Border Patrol in doing their job to secure the border.

- **FEDERALISM—THE FOUNDERS' FORMULA FOR FREEDOM**

Rob has been chosen to lead the House 10<sup>th</sup> Amendment Task Force, which is committed to Federalism and returning power to the states and people as the solution to so many issues.
