New Vet Center Connects Veterans to Services in North Ogden

Salt Lake City, UT: A new Vet Center is now open to serve combat Veterans in need of care and compassion while going through the readjustment process.

Vet Centers provide a broad range of counseling, outreach, and referral services to combat Veterans and their families. Counselors guide Veterans and their families through many of the emotional struggles that may happen when they make that transition from soldier to civilian.

Please join The Department of Veterans Affairs Readjustment Counseling Services for a Grand Opening Celebration at the new Vet Center on Friday, April 27th at 10 a.m. Ribbon cutting and tours to follow.

The new center is located at 2357 North Washington Blvd, in North Ogden.

To schedule interviews or for more information contact: Jennifer Dikes, Chief of Communications, VA Salt Lake City HCS, 385-252-9527 or Email: Jennifer.Dikes@va.gov.
