

UTAH PROVISIONS

S. 47 – Natural Resources Management Act

Golden Spike National Historic Park -- Section 2205 (H.R. 5751 (*Rep. Rob Bishop*) from 115th Congress): Redesignates Golden Spike National Historic Site as Golden Spike National Historic Park in time for the 150th celebration of the driving of the final spike of the Transcontinental Railroad on May 10th, 1869. The bill establishes a network of sites related to the history, construction, and legacy of the Transcontinental Railroad as a program of the National Park Service.

SITLA Land Selections to benefit Utah School Kids -- Section 1005 (H.R. 418 (*Rep. Chris Stewart*) from 116th Congress): Authorizes the State of Utah to select approximately 500 acres of BLM land available for disposal for the support and benefit of Utah schoolchildren through the Utah School and Institutional Trust Lands Administration.

City of Hyde Park Land Conveyance -- Section 1013 (H.R. 4264 (*Rep. Rob Bishop*) from 115th Congress): Directs the Secretary of Interior to convey an 80-acre parcel of isolated BLM land to the Hyde Park, which the city intends to use for a new water tank and as a trail head for the future expansion of the Bonneville Shoreline Trail.

Juab County Land Conveyance -- Section 1014 (H.R. 3777 (*Rep. Mia Love*) in the 115th Congress): Directs the Secretary of Agriculture to convey approximately 3 acres of Forest Service property that is currently unused and available for disposal to Juab County, which intends to use the land to house its Wildlands Fire Team and equipment and to construct a new fire station.

Outdoor Recreation Access and Enhancement via McCoy Flats Trail System Designation -- Section 1115 (H.R. 6843 (*Rep. Rob Bishop*) from 115th Congress): Codifies the McCoy Flats Mountain Bike Trail System, 35 miles of interconnecting bike trails located west of Vernal, UT, ensuring that the trail-based recreational values it supports are protected indefinitely.

Uintah County Land Conveyance and Ashley Karst National Recreation and Geologic Area Designation -- Section 1117 and Section 1124 (H.R. 6843 (*Rep. Rob Bishop*) from 115th Congress): Establishes the approximately 170,000 acre Ashley Karst National Recreation and Geologic Area and directs the Secretary of Interior to convey approximately 791 acres to Uintah County to ensure the watershed (the primary water source for 20,000 people living in the Uinta Basin) and recreational values that this area provides will continue in perpetuity.

John Wesley Powell National Conservation Area Designation -- Section 1118 (H.R. 6843 (*Rep. Rob Bishop*) from 115th Congress): Establishes the approximately 29,868-acre John Wesley Powell NCA to commemorate the 150th anniversary of Powell's unprecedented exploration of the Green River, an expedition that resulted in Mr. Powell's naming of the most significant land and water

features in the area. This area also contains important Greater Sage-Grouse habitat and has been designated by Uintah County as a sage grouse management area.

Emery County Lands Bill -- Subtitle C Part II (H.R. 5727 (*Rep. John Curtis*) from 115th Congress): This bill resolves decades-long controversy over federal land designations in Emery County by providing conservation, recreation, and economic certainty to close to a million acres in Emery County through a series of designations, conveyances, and cooperative management agreements.

Endangered Fish Recovery Program Reauthorization -- Section 8101 (H.R. 4465 (*Rep. John Curtis*) from 115th Congress): Extends the authorization for annual base funding of fish recovery programs in the Upper Colorado and San Juan River basins, a priority of the Utah Department of Natural Resources.

Extending the Duck Hunting Season -- Section 4301 (H.R. 6013 (*Rep. Rob Bishop*) from 115th Congress): designates January 31st as the end of the federal duck hunting season by modifying the Migratory Bird Treaty Act, adding an additional four days to the end of the 2018-2019 season. It also designates special hunting days for veterans, active military personnel, and youth.
